3. DAMAGE/LOSS TO A PROPERTY
  - Property damage is a loss that affects the value, usefulness or normal function of property and is unexpected.
  - Damage/Loss can occur on purpose, by inadvertent neglect, on accident, and by weather related events.
  - Property insurance provides protection against most risks to such as fire, theft and some weather.
  - Property insurance does not cover damages resulting from *normal wear & tear*.
  - *Normal wear & tear* can be defined as the expected decline in the condition of a property due to normal everyday use. It is deterioration that occurs in the course of living in a property, and it is not caused by abuse or neglect.
  - The HOA's Master Insurance Policy does not cover damage/loss caused by flood waters, outside surface or ground waters.
  - The HOA's Master insurance policy does not cover damage caused by repeated and/or constant leaking and/or seeping appliances and/or household plumbing systems, regardless of source. The Master policy only covers damages from an occurrence that happens suddenly, not damages that happen over an extended period of time.
