NOW, THEREFORE, the Association, by and through its Board, hereby amends the Declaration as follows:

Declaration Article IX, Section 9.16 is amended in its entirety to state the following:

SECTION 9.16 RESTRICTIONS ON ANIMALS.

(a) General Restriction. No animals, livestock, reptiles, or poultry of any kind shall be raised, bred or kept in any Dwelling or on any of the Residential Lots, except as expressly permitted in this Section and the Rules and Regulations of the Association. The Board shall have the authority to further restrict the keeping of animals in the Project by rule.

(b) Allowed Animals. Owners may keep up to a combined total of two (2) of the following animals in a Dwelling: fish or tanked aquatic animals, caged birds or reptiles, cats or dogs. No other animals, reptiles, rodents, exotic pets, livestock, or poultry shall be kept in any Dwelling or Residential Lot or elsewhere in the Property. The keeping of such animals shall be subject to the rules and restrictions of the Association, municipal code, and other applicable laws.

(c) Nuisance. Animals may not create a nuisance by continuous barking, meowing, or making other animal noises. Animals shall be leashed at all times while outside of the Lot. Animal owners or people in control of the animal shall immediately clean up any feces deposited in any part of the Property. Animals shall not be kept in a way that creates odors that are bothersome to neighboring Owners. Any person bringing an animal on the Property shall be liable pursuant to the laws of the State of Utah to the Association, Owners, their family members, guests, invitees, and tenants for any damage to persons or property and any costs of repair, cleanup, maintenance, or personal injury caused by such animal. The cost of any damage caused to Common Areas by an animal may be assessed and collected as an assessment against the Owner who allowed the animal to be present on the Properties.

(d) Enforcement. The Association may enforce this Section by levying fines, removing the animal from the Property, or any other available remedy. The remedies allowed in this Section are not mutually exclusive and the use of one does not preclude the simultaneous use of any other. The Association may create rules and regulations, which create additional restrictions on animals. Owners, residents, occupants, guests, family members, and invitees shall comply with any animal rules created by the Association.
